## Reformation Heritage

We take a month to remember our heritage as a church. We remember what was handed down to us from those saints who have gone before us. Here we mean the faith. The hope that we have in Christ Jesus as Lord and Savior. The heart of the Reformation was not the formation of a new church. Or the political changes which came in Germany because of the Reformation. The heart of the Reformation was and continues to be the reclaiming of the pure teaching and preaching of the Gospel. It is about clearing away

false teaching which kept people from hearing the good news that their sins were forgiven.

When all error is removed what we have left is the pure teaching and preaching of the Gospel. It is teaching and preaching which lines up with what is said in God's Word. Even when addressing and teaching on topic which are not directly mentioned in the Bible the preacher and teacher will strive to make sure everything they have to say will still line up with what the Bible teaches. The Sacraments are rightly administered when they are carried out by the pastor and congregation according to the command of Jesus.

With the pure teaching and preaching of the gospel came a set of traditions which were handed down to us. These traditions were handed down because they helped to make sure the Gospel was always purely taught and the sacraments rightly administered. They are the way we conduct service, the music we use, the way we visit and teach, etc. As a church we have a rich heritage which has been handed down to us over the centuries which help us to stay focused on the chief article of faith justification.

Over October, November, and December we are going to be looking at three different aspects of Justification: All about Jesus and Justification; Unjustifiable faiths: Four common – and Wrong- Beliefs about Justification, and Justifying Christmas. This will help each of us have a better understanding of our heritage and the hope that we cling to in the present time. Please join us in Bible Study as we talk about this important part of our heritage.

Your Servant in Christ,  
Pastor Welton

On September 11th LWML met for bible study. Pastor Welton presented the bible study "Therefore" from the Summer 2021 Quarterly magazine.

Prayer Pillows were prepared for Rally Sunday.

We will be donating baby quilts and afghans to Option 1 in Brookings. We also discussed donating to the Alpha Center the next time we have an abundance. Thank you again to all the quilters and crotchetier that contribute quilts and afghans.

We have a list of kits that we brought back from Orphan Grain Train in Milbank and will be buying supplies and assembling the kits so people can see what they are. We will place totes for each type of kit under the LWML display table. If you would like to help with supplies there are lists on the table for each type of kit along with instructions. You are welcome to take a list to gather supplies or to assemble the kits yourself. We will have a work bees to put the kits together so that we can take them to Orphan Grain Train when we arrange our next trip to help at the warehouse.

October 3rd is LWML Sunday so LWML will be serving coffee and snacks after church.

October 9th LWML will have bible study at 9 AM and will discuss any upcoming business.

October 16<sup>th</sup> the Brookings Zone LWML will be holding their fall rally at Redeemer Lutheran Church in Flandreau, SD
